Message From The Founder Cum Director's Desk

Dr. Umesh Prasad Singh

Prakritik, Prakritik, Prakritik, Throughout my life, I have been deeply influenced by the values of nature, natural things such as sun, moon, stars, air, water, earth, forest, plants & trees, all animals (Wild & Domestic) fruits, vegetables, corns etc, which are made by God / Nature. I always disliked artificial things as well as life style. I want to connect each and every students including their parents with nature because nature and only nature is GOD and our well wiser. We can't live without nature.

Prakritik School is my visionary in the field of education. I am a self made person who has established this school at Patna (The capital of Bihar) by my deep thoughts. I always used to say :-

- (1) **Education Is Not a Profession, It is a Mission**
- (2) **Self Help Is The Best Help.**

Now You are entering Prakritik School World running on a proven man making system which transforms an innocent child into a useful complete world wide citizen. We endeavor to satisfy our pupil's thirst & hunger for knowledge and desire for excellence. Prakritik School welcomes children to join the proud fraternity Prakritikans, who have made their marks in not only academic but also Games & Sports, Cultural as well as extra curricular activities on the state wise, national and International worldwide horizon.

Do you know ? Prakritik School has been providing unique, effective, latest & modern scientific fully equipped multi Media Smart Lab, Audio Vidual system of teaching methodology with 100% C.C.E. System under the concrete roof of Central Board of Secondary Education (C.B.S.E.), New Delhi from N.C. to 12th.

Message From The Principal's Desk

Mrs. M.M. Singh
Principal

I have wept for joy at the weddings of former students, Laughed with glee at the birth of their children.

According to my opinion :-

1. **A Bell Is No Bell, untill You Ring It.**
2. **A Song Is No Song, untill You Sing It.**
3. **A Love Is No Love, untill You Give It Away.**
4. **A Teacher Is No Teacher, untill He Teaches The Student Well.**

If a student fails in the examination, then it is clear that his Parents, Teachers, Principal, School, entire society and his environment are failed.

Prakritik School is a secular, non sectarian, non denominational educational institute, the prime purpose of which is to cater the dire educational needs of boys and girls without distinguishing caste & creed as well as religion. The school aims at providing an all round development of the young to inculcate in them the consciousness of dignity and rights of every person and so enables them to play an important role in the society. The school thus aims at making its own contribution on towards a radical changing the present social set up where there may be genuine freedom by way of opportunity for all and true respect for religion, human and moral values.

Although the medium of instruction is English yet emphasis is laid upon learning Hindi, Urdu, Magahi, Bhojpuri & Sanskrit too, Besides exporting moral based education with advanced & modern educational techniques by trained and experienced teachers and staff, co-debates, G.K. Tests, Quiz contests, Drawing competition, Painting competition, Dancing & Singing competition, Outdoor & Indoor sports, P.T. Yoga, Athletics picnics, camps, excursions and guided tours etc. All efforts are made to educate the young students how to preserve the environment. They are encouraged to bring out the rallies and organize seminars to create the awareness among common masses how to preserve the environment and how to avert the pollution, **Prakritik School will try its level best to live to its name.**

Aim

Prakritik School aims to equip students with knowledge, experience and life skills that prepare them for leadership roles in a global environment through a strong emphasis in academic excellence and co-curricular activities as well as to ensure physical, intellectual, moral & spiritual development.

Vision

Prakritik School works to transform in innocent child into fully developed, educated, enthusiastic, civilized, healthy and a useful worldwide citizen to lead the world on right path for the betterment of the future.

Mission

Activities

Morning Assembly

The students and the staff begin their day with morning assembly. Morning assemblies under the guidance of their from teachers associated with music teacher are conducted by various

classes, Children are given stage to express their views on various topics-social, religious, educational simply to inculcate in them the spirit of leadership

Development of Brain By Reasoning

Education Scenario is total change now, Teachers are not to teach only, they are to reach their students. If not, teaching is futile. In our school after teaching in every class feedback from students is must. This gives an idea to our teachers how much effective is their teaching.

Building of Moral

To be literate is not enough to be educated. Education means to be morally, mentally, socially and physically modified. An educated person educates others in turn. Every endeavor is done to help our students to be aware of themselves and of the society they are living in. Preservation of our natural resources, our environment is a top priority. Environment rallies are taken out by our students to keep common masses aware of environment and measures to be taken for its preservation. Art competitions are held to keep them acquainted with the nature and its beauty.
